

Bungaree Primary School Volunteers Policy

Purpose

To outline the processes that Bungaree Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

Scope

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

Definitions

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

Policy

Bungaree Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Bungaree Primary School acknowledges the importance of volunteers at our school and recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Bungaree Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a Volunteer

Members of our school community who would like to volunteer are encouraged to contact the Principal. In addition to this, the school may call for volunteers for specific events and opportunities, such as school fundraisers, PFA activities, working bees and the like.

Working With Students

Bungaree Primary School values the volunteers that assist in our school community, such as in our classrooms, with sports events, camps and excursions, school concerts and other events and programs]. To ensure that we

are meeting our legal obligations under the Working With Children Act 2005 (Vic) and the Child Safe Standards, Bungaree Primary School is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Bungaree Primary School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the Principal for verification in the following circumstances:

- Volunteers who are not parent/family members of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- Parent/family volunteers who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is not participating, or does not ordinarily participate in, the activity.
- Parent/family volunteers who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- Parent/family volunteers who regularly assist in school activities, regardless of whether their own child is participating or not.
- Parent/community School Council members sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non-child Related Work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, PFA coordination, school council, participating in sub-committees of school council, fete coordination) during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Bungaree Primary School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

Suitability Checks, including Working With Children Checks

WWC Checks are required by all volunteers who will be working with students for school activities whether or not supervised by a teacher and whether or not the activity is on school grounds or during school hours. For example, a volunteer who is assisting at a school camp or any other approved school activity outside of school grounds will require a WWC Check.

- A volunteer can commence work at Bungaree Primary School when they provide a receipt as proof they have applied for a WWC Check with the Department of Justice and have otherwise been considered by the school to be suitable.
- The WWC Check is a minimum checking standard set by the Working with Children Act 2005 for those who work with children, either on a paid or voluntary basis. It checks for serious sexual, violent and drug-related offences as well as disciplinary findings of professional agencies such as the Victorian Institute of Teaching.
- To be a volunteer at Bungaree Primary School, a valid Working with Children Card provided by the Department of Justice is required. This card is:
 - valid for five years
 - transferable between volunteer organisations
 - free of charge for volunteers, but cannot be used for paid employment.

Note: WWC Checks for paid employment can be used to show suitability for volunteer work.

Management and Supervision

Volunteer workers will be expected to comply with any reasonable direction of the Principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety Policy, Statement of Commitment to Child Safety, Child Safety Code of Conduct and all other relevant school policies. Volunteer workers will also be expected to act consistently with Department of Education and Training

policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The Principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Bungaree Primary School.

Bungaree Primary School will provide any appropriate induction and/or training for all volunteer workers. The Principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Bungaree Primary School's child safety practices, including reporting obligations and procedures. Our school has a Child Safe Policy which all staff and volunteers should be aware of.

The Principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal Injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property Damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the Principal who will direct them to the Department's Legal Division.

Public Liability Insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.

Evaluation

This policy will be reviewed as part of the school's three-year review cycle.
